a typewriter at RCA, Camden, N. J. LIVEZLY advised he never intended any harm to recipients of the letters. LIVEZLY sent the letters as he became aggravated at kidding he received from RCA employees whose names he used as the senders of the various letters. RCA Plant Physician, who has been treating LIVEZLY as patient at RCA since 1962, advised his file contains no listing of mental disease or treatment for LIVEZLY. RCA physician considers LIVEZLY as eccentric but one who knows what he is doing and who is absolutely responsible for his actions. AUSA HOROWITZ, Newark, N. J., declined prosecution as facts do not indicate subject is dangerous or any real threat to persons receiving the letters and there was no need to invoke criminal process. AUSA feels there is need to have subject receive psychiatric study but that is more properly responsibility of local authorities. Camden County Prosecutor's Office and Gloucester County Prosecutor's Office advise that they are unable to have subject committed for psychiatric study or treatment. FBI Laboratory advised letters sent in this matter examined in Laboratory conform to Laboratory standards for a Royal Pica style of type spaced ten letters to an inch.

On September 14, 1967, the facts of this case were
presented to Assistant United States Attorney DONALD HOROWITZ,
First Assistant to the United States Attorney, by Assistant
Special Agent in Charge KARL L. BROUSE, at Newark, New Jersey.

HOROWITZ advised that in his opinion, in view of
subject's background, invoking criminal process is not the
solution in this case at this time and he would not authorize
prosecution of subject.

Mr. HOROWITZ stated the facts do not indicate
subject is dangerous or any real threat to the persons who
received the letters and there was no need to invoke
criminal process. He feels, however, there is need to have

NK 9-2084

PJC:amd

the subject receive psychiatric study or treatment, but that this is more properly the responsibility of the local authorities.

He explained that under Federal Criminal Procedure a subject cannot be afforded psychiatric treatment until he is convicted which could take some time and he felt local authorities would be able to take more direct action.

On September 14, 1967, it was brought to the attention of Mr. FJROWITZ that the subject had also sent two letters, one to President JOHNSON and one to Mrs. JOHNSON, at the White House, Washington, D.C. This information was not available at the time the matter was originally presented to Mr. HOROWITZ. Mr. HOROWITZ advised that this additional information does not change his original opinion to decline prosecution in this matter.

On September 15, 1967, the contents of the letters sent by LIVEZLY were brought to the attention of Assistant Prosecutor ALBERT SCARDUZIO, Camden County Prosecutor's Office, Camden, New Jersey.

Mr. SCARDUZIO advised that he does not see any way subject can be committed to mental institution for psychiatric evaluation unless he voluntarily signs own commitment papers. SCARDUZIO stated that the normal procedure for having someone committed in New Jersey is for a close relative, residing with him, to have subject examined by one or more physicians who would recommend committal based on examination. The commitment would be for a temporary ten day period following, which the individual could be committed permanently upon the recommendation of the institution and proper papers signed by a county judge. SCARDUZIO advised that as LIVEZLY lives alone, has no close associates or relatives, he does not feel this could be accomplished.

SCARDUZIO pointed out another way of committing subject would be if he were arrested on local charges and the arresting agency, at its discretion, could immediately commit the individual for a ten day temporary period. This could be made permanent upon the recommendation of the institution. SCARDUZIO pointed out that on the basis of

NK 9-2084
PJC:amd

information that subject has engaged in lewd acts within the confines of RCA, Camden, New Jersey, a local complaint could be signed by RCA officials which could be used to commit subject. He pointed out that this would not be done by RCA as it might place the company in a delicate position with the company union. He advised the mailing of the extortion letters in Camden, does not violate any local law as the letters are being sent to points outside the state.

SCARDUZIO advised any effort to have subject committed would have to be arranged through the Gloucester County, New Jersey Prosecutor's Office, which office covers subject's residence in Woodbury, New Jersey.

On September 15, 1967, DOMINICK TATTUSO, Assistant Prosecutor, Gloucester County, Woodbury, New Jersey, advised subject is known to him very casually as an eccentric who resides in that community. TATTUSO stated subject has never been arrested in Gloucester County and has not violated any local law, and therefore, no steps can be taken on that basis to commit him for mental treatment or examination. TATTUSO advised that the mailing of extortion letters, which is a Federal violation, with their destination outside of the State of New Jersey, would not have violated any local law in Gloucester County, even if mailed within the county. It is his opinion that as the subject has no close relatives, the only way he could be committed would be if he voluntarily signed himself into an institution. If this were done he could sign himself out of the institution at any time.

On September 15, 1967, [redacted]
[redacted] RCA, Camden, New Jersey, advised that to his knowledge RCA has never taken any steps to have anyone examined for a mental disorder to determine their competence as an employee.

b6
b7C

[redacted] pointed out, RCA records disclose that CHARLES LIVEZLY was given a secret clearance on May 9, 1958, at RCA, granted by the Navy. This clearance was handled by the Office of Naval Intelligence (ONI). ONI no longer conducts these security clearances, but they are handled through the Industrial Security Clearance Office, Post Office Box 2499, Columbus, Ohio.

NK 9-2084
PJC:amd

The Industrial Security Clearance Office would be most interested in any information disclosing subject is a security risk.

Above results together with all the facts developed during this investigation were rediscussed with First Assistant United States Attorney DONALD HOROWITZ and with United States Attorney DAVID M. SATZ, JR. United States Attorney SATZ advised that after full consideration they did not feel Federal prosecution was warranted in this instance and that he would not authorize it. In addition to those reasons set forth previously, SATZ cited the expense and delay involved in seeking Federal treatment of subject and the fact that subject signed other persons' names to the letters did not indicate that any of the recipients were in any real danger or that subject intended to carry out the threats.

On September 15, 1967, the facts of this case concerning the letter received by victim JOHN CARDINAL KROL at Philadelphia, Pennsylvania, were presented by the Philadelphia Office of the Federal Bureau of Investigation to United States Attorney and First Assistant United States Attorney, JOSEPH RITCHIE and JOHN SUTTON at Philadelphia, Pennsylvania, for the Eastern District of Pennsylvania.

Prosecution of the subject was not authorized, but was deferred to the United States Attorney, Newark, New Jersey, since all the letters were mailed in the District of New Jersey.

NK 9-2084

PJC:amd

On September 20, 1967, SA [] contacted United States Attorney DAVID M. SATZ, JR. and First Assistant United States Attorney DONALD HOROWITZ, at Newark, New Jersey.

Mr. SATZ advised that his office will not be able to take any affirmative action toward having LIVEZLY committed for psychiatric evaluation. Mr. SATZ advised that he discussed this matter with Assistant United States Attorney ROBERT W. PAGE at Camden, New Jersey, and he is satisfied that under existing New Jersey Statutes no legal remedy is available under which LIVEZLY can be committed.

Mr. SATZ expressed the opinion that he does not believe that LIVEZLY is a dangerous type individual and he does not believe that recipients of the letters in question were actually placed in fear of personal harm.

On September 21, 1967, [] RCA [] Camden, New Jersey, advised that there is no possibility that individuals whose names were used by the subject to write letters in this matter would sign complaints against LIVEZLY. [] advised that all of the individuals whose names were used are employees of the company and all of them are members of the IUE Union. He advised that it is an unwritten law that members of the union will not sign complaints against another union member and if they did this it could cause them to be "Blackballed" by the union.

[] advised that the Woodbury, New Jersey, Police Department records disclose that on September 14, 1967, CHARLES LIVEZLY, 12 East Barber Avenue, Woodbury, New Jersey, employed at RCA, Camden, New Jersey, filed a larceny complaint with the police department.

LIVEZLY reported that at 11:45 P.M. on September 18, 1964, one white, male, approximately 19 years of age, who is supposed to work in Polsky's Department Store came to visit LIVEZLY. This boy would not sit down until he took his pants off to keep them from getting wrinkled, so he claims.

"During the visit the boy returned LIVEZLY's wallet which he lost the other day. LIVEZLY had a \$50.00 bill on the bed. He put the \$50.00 bill in his wallet, and the wallet into his pants pocket. LIVEZLY then removed his pants, hung them on the sofa, and went into the bathroom to get ready for bed. When LIVEZLY returned from the bathroom the boy put on his pants and left. This was at approximately 12:45 A.M. on Saturday, September 19, 1964. When LIVEZLY checked his wallet the \$50.00 was gone. The money was where the boy could see it before LIVEZLY put it into his pocket. The only thing that LIVEZLY knows about the boy is that he is tall and slim and is supposed to work for JOE POLSKY's Department Store."

CHARLES AUGUSTUS LIVEZLY
THREAT AGAINST THE PRESIDENT

At 10:05 p.m., on September 14, 1967, Special Agent John E. Otto telephonically advised Special Agent [redacted] Secret Service, Philadelphia, Pennsylvania, Office, of the following information:

Charles Augustus Livezly, 12 East Barber, Woodbury, New Jersey, furnished a signed statement during the evening of September 14, 1967, to Special Agents John E. Otto, Philip J. Carroll and [redacted]

On September 12, 1967, Livezly composed and mailed from Camden obscenely worded letters containing demands for money and threats against the lives of the recipients who were the President of the United States, Lyndon B. Johnson, Mrs. Lyndon B. Johnson, the President's wife, J. Edgar Hoover, Director of the Federal Bureau of Investigation, a Mrs. J. Edgar Hoover, intended for a wife of Mr. Hoover, Cardinal John Krol, a Roman Catholic prelate of Philadelphia, Pennsylvania.

b6
b7C

Livezly could not recall the exact wording he used in his letters to President and Mrs. Johnson, however, he stated they did contain threats to kill each of them. He stated, to the best of his memory, the envelope of the letter to the President was addressed to President Johnson while the envelope of the letter to the President's wife was addressed to Mrs. L. B. Johnson in care of the White House, Washington, D. C.

[redacted] Livezly said he thought he signed the name of [redacted] to his letter to President Johnson and the name of [redacted] to his letter to Mrs. Johnson. [redacted] is a fellow employee of Livezly's at Camden, N. J.

9-47096-10

ENCLOSURE

CHARLES AUGUSTUS LIVEZLY
THREAT AGAINST THE PRESIDENT

Livezly further stated he never intended any actual physical harm to the individuals whose names appear in the letters. He explained he wrote the letters to get rid of the "rotteness" of the persons whose names he signed to the letters.

Livezly claimed the fellow employees whose names he signed to the letters had been treating him unkindly and he hoped he would get them out of his way through his letter scheme. It is noted Livezly said he signed the name of RCA employee [redacted]

[redacted] to his letter to Mr. Hoover; he signed the name [redacted]

[redacted] to his letter to Mrs. Hoover; he signed the name of RCA employee [redacted] to his letter to Cardinal Krol.

Livezly said he used a typewriter at the RCA plant in Camden to write the letters. The paper and envelopes he used he purchased himself. He furnished blank sheets of paper of the same type he said he write the letters on. It is 10½" by 8" and bears the watermark of "Guild Caxton Bond". He also furnished envelopes in which he stated he mailed the letters. The envelopes are 3½" by 6½" and were contained in a box marked "Rexall Economy Pack, 100 Envelopes, The Rexall Stores, Stationery Department, S-67, Rexall Drug Co., Los Angeles, California". The price for the box of envelopes was indicated as ".39¢".

b6
b7C

[redacted] RCA, Camden, New Jersey, said Livezly has been caught on several occasions committing masturbation in the men's bathrooms at the Camden RCA Plant. In addition, Livezly, according to [redacted] has often walked up behind other employees at RCA and grabbed their buttocks without forewarning. Livezly, when he has been ignored while trying to get someone's attention, has licked the back of that person's neck with his tongue.

Livezly admitted to interviewing Special Agents about two months ago, at a time when he was angry with [redacted] he mailed a photograph of a nude woman to [redacted] without further explanation.

[redacted] RCA, Camden, advised about one month ago Livezly, for no apparent reason, used profane and abusive language against him in one of the plant's restrooms for men.

CHARLES AUGUSTUS LIVEZLY
THREAT AGAINST THE PRESIDENT

RCA Company Doctor, [] said he has seen Livezly continuously as a patient at the plant since 1962. [] stated Livezly has no history of mental disease nor has he been treated for mental illness, to the best of his knowledge. [] considers Livezly to be eccentric but one who knows what he is doing. He feels Livezly is absolutely responsible for his actions.

b6
b7C

Livezly said he does not possess a firearms or any type of dangerous weapon.

On September 14, 1967, the facts of this case were presented to the Offices of the United States Attorney, Newark, New Jersey, to Assistant United States Attorney Donald Horowitz, who advised that from the background of Charles Augustus Livezly, they feel that the invoking of criminal process is not the solution to this case. Mr. Horowitz advised that in his opinion, Livezly is not dangerous and is no real threat to the recipients of the letters.

Mr. Horowitz advised that he feels that a medical evaluation of Livezly is the responsibility of local authorities and that a full disclosure of the facts of this matter and the nature of the letters should be brought to the attention of local authorities.

Mr. Horowitz advised that under the rules of Federal Criminal Procedure no medical evaluation of Livezly could be effected by the Federal Government until Livezly is either convicted or has entered a plea of guilty to the charge against him.

Mr. Horowitz advised that he will not authorize issuance of a warrant, and he declined prosecution in this matter.

Mr. Elbert Scarduzio, Assistant Camden County Prosecutor, was advised of the above facts on September 15, 1967.

Dominick Tattuso, Assistant Prosecutor, Gloucester County, was also advised on September 15, 1967, as Livezly resides in Gloucester County.

EXTORTION - THREAT TO THE PRESIDENT

On 9/26/67, First Assistant Prosecutor, ALBERT SCARDUZIO, Camden County, N.J. Prosecutor's Office, Camden, N.J., advised the writer that he does not feel that LIVEZLY has violated any criminal law in Camden County, N.J. SCARDUZIO advised that he will review the N.J. State Statute books and will advise if he can find any violation of local law under which LIVEZLY could be arrested.

On 9/26/67, Assistant Prosecutor SCARDUZIO recontacted SA ALBERT W. CARROLL and advised that he is willing in any manner to offer assistance to the Federal Government in order to have LIVEZLY committed. SCARDUZIO advised that a review of the N.J. State Statutes and the criminal code for Camden County, N.J., does not give his office any jurisdiction to move against LIVEZLY, as the mailing of the extortion letters in this case involve a Federal violation and not a local violation.

SCARDUZIO advised that as there is no local criminal violation, his office is unable to take any action against LIVEZLY.

Mr. SCARDUZIO advised that the only action available locally would be for one of the individuals whose names were used on the letters sent by LIVEZLY to come in and sign a com-

plaint against LIVEZLY for Defamation of Character. SCARDUZIO advised that this is a civil tort action and under this type of action, it would not be possible for Camden County authorities to order LIVEZLY to be given a mental examination.

The matter would be handled in Civil court to determine the amount of damage to the character of the complainant as the result of the letter or letters, and if LIVEZLY were convicted, he would be given a fine by the court.

On 9/26/67, [redacted] Radio Corp. of America, Camden, N.J., advised that the company doctor has recommended that LIVEZLY be given an examination by a private psychiatrist paid for by the company to determine his sanity.

[redacted] advised that this has been proposed to the company union and they are in agreement that this be done. The union has suggested to LIVEZLY that he consent to the examination by a private physician paid for by RCA, Camden, N.J.

[redacted] advised that he believes that LIVEZLY will consent to this examination. He advised that it has been the company's experience in the past that when such an examination is afforded, the private psychiatrist is careful in his evaluation and he will probably not judge the subject as insane as this is regarded as almost impossible to establish with one visit.

[redacted] advised that the examination may cause a transfer of LIVEZLY to another division of the plant, but he does not believe that it will result in the releasing of LIVEZLY from his employment on medical leave and it most certainly will not accomplish the commitment of LIVEZLY to a mental institution.

[redacted] advised that the final arrangements for such a physical cannot be accomplished by the company immediately and he does not feel that LIVEZLY will be given the examination for at least a month.

SUBJECT: CHARLES AUGUSTUS LIVEZLY, AKA
J. EDGAR HOOVER, ET AL. - VICTIMS
EXTORTION

Earlier today I spoke with E. Lamar Sledge in the Department and reviewed with him the facts of this matter. I told Sledge that in view of the subject's extensive letterwriting activities, the obscenities used, and the obvious sexual unbalance of the subject, the Bureau felt strongly that Livezly should be picked up and taken out of circulation. Sledge said that after looking over the letters subject wrote he agreed and that he would contact AUSA Horowitz in Newark and attempt to convince him that process should be filed.

At 5:50 p.m., tonight, Sledge called back and stated that he had just been in touch with AUSA Horowitz and that Horowitz and the U.S. Attorney are both in agreement that subject should not be arrested. They feel that a criminal arrest is not the answer. Sledge said that Horowitz was still reviewing the matter and wanted to explore other avenues to have the subject committed. He said that he would be able to furnish an answer by next Tuesday morning.

I told Sledge that Livezly's background is such that he would be a prime suspect in any sexual crime committed such as child molesting, etc., and that the Government would be derelict in not taking all action to remove this menace from circulation. Sledge was noncommittal but stated that he did not see any reason why this matter could not wait until next Tuesday. I told him that if he did not see any urgency to this matter, it would do me no good to again review the facts in this case to him and that under the circumstances, I was going to call our Philadelphia Office to see if the U.S. Attorney there feels that prosecution should be entertained.

SAC Jamieson was advised and is arranging to have the U.S. Attorney contacted immediately. The Bureau will be advised of the U.S. Attorney's decision. The Newark Office is also aware of the most recent developments.

I would like to advise you of the facts concerning five obscene and threatening communications mailed by Charles Augustus Livezly to President Johnson, Mrs. Johnson, John Cardinal Krol of Philadelphia, Pennsylvania, and me. The Newark Office of this Bureau has been in contact with United States Attorney David M. Satz, Jr., and Assistant United States Attorney Donald Horowitz who declined to prosecute Livezly. The facts of this case as well as the prosecutive decision were discussed by Special Agent Rex I. Shroder with Mr. E. Lamar Sledge of the Criminal Division on September 15, 1967, and by Special Agent with Mr. Carl W. Belcher on September 19, 1967. However, it was not indicated as to what action, if any, was intended by the Criminal Division. The five letters in question are enclosed.

b6
b7C

On September 13, 1967, two obscene and threatening letters were received by me signed

Investigation identified the writer of these communications as Livezly. Subsequently, Livezly was identified as the writer of obscene and threatening letters mailed to President and Mrs. Johnson and John Cardinal Krol. Livezly is employed by Radio Corporation of America (RCA), Camden, New Jersey, in a custodial capacity. He has been observed on several occasions committing acts of masturbation at the RCA plant and has also demonstrated other aberrant sexual behavior.

An RCA physician has advised that Livezly's medical file contains no record of mental illness and this physician considers Livezly to be an eccentric individual, but one who is absolutely responsible for his actions.

The Attorney General

Livezly admitted to Special Agents of this Bureau in a signed statement that he prepared and mailed the obscene and threatening communications. He denied that he intended to harm the recipients and stated the letters were sent to create trouble for persons whose names he signed on the letters. Livezly had signed names of fellow employees.

Messrs. Satz and Horowitz are of the opinion the subject is not dangerous or a real threat and believe he needs psychiatric care. Local law enforcement officials in New Jersey have advised there is no way within New Jersey State laws whereby Livezly can be committed to an institution by them.

This subject has admitted writing five extremely obscene communications. He is not known to be mentally incapacitated and, as a matter of fact, his employer's physician states he is absolutely responsible for his actions. It would appear Livezly has the definite potential, as evidenced by his past perverted actions, of committing sexual crimes. Accordingly, I would appreciate your comments in connection with this matter in view of the apparent need for affirmative action and the nature of the threats against the President and others.

A copy of this letter is being made available to United States Secret Service for information inasmuch as the President and Mrs. Johnson were recipients of letters from Livezly.

Attorney's Office declined to prosecute, we have discussed this matter with the Department, and are now going on record with the Attorney General protesting the failure of U. S. This is the case concerning the extremely obscene letters received 9/13/67 threatening the Director's life unless \$1,000,000,000 was paid. Livezly, employed by Radio Corporation of America (RCA), which has knowledge of his perversions, furnished signed statement admitting writing these letters and threatening letters to President and Mrs. Johnson and Cardinal Krol, Philadelphia. U. S. We are checking with military in view of Livezly's secret clearance to determine what steps can be taken, if any, to have mental examination afforded Livezly. Title: CHARLES AUGUSTUS LIVEZLY;
J. EDGAR HOOVER,
MRS. J. EDGAR HOOVER,
CARDINAL JOHN KROL,
PRESIDENT LYNDON B. JOHNSON,
Character: MRS. LYNDON B. JOHNSON - VICTIMS
EXTORTION - THREAT TO THE PRESIDENT

Synopsis: Assistant Prosecutor, Camden County, N.J., advised that a review of the local statute books and the criminal code for Camden County, N.J., does not give his office any jurisdiction to move against LIVEZLY, as the mailing of the extortion letters in this case involve a Federal violation and not a local violation. Information from Security Officer, Radio Corporation of America, Camden, N.J., on 10/25/67, discloses that no action taken against LIVEZLY for a physical examination either by the Company or by the Industrial Security Office, Columbus, Ohio. LIVEZLY still has secret clearance at RCA. On 10/25/67, [REDACTED] RCA, Camden, N.J., indicates that Company will make immediate arrangements for psychiatric examination of LIVEZLY. The FBI Lab concluded that the typewriting on the letter and envelope of the extortion letter to CARDINAL JOHN KROL, at Philadelphia, Pa., was prepared by the same typewriter that prepared the other extortion letters in this matter.

DETAILS

On September 26, 1967, First Assistant Prosecutor ALBERT SCARDUZIO, Camden County, New Jersey Prosecutor's Office, Camden, New Jersey, advised the writer that he does not feel that LIVEZLY has violated any criminal law in Camden County, New Jersey. SCARDUZIO advised that he will review the New Jersey State Statute books and will advise if he can find any violation of local law under which LIVEZLY could be arrested.

NK 9-2084

On September 26, 1967, Assistant Prosecutor SCARDUZIO recontacted SA PHILIP J. CARROLL and advised that he is willing in any manner to offer assistance to the Federal Government in order to have LIVEZLY committed. SCARDUZIO advised that a review of the New Jersey State Statutes and the criminal code for Camden County, New Jersey, does not give his office any jurisdiction to move against LIVEZLY, as the mailing of the extortion letters in this case involve a Federal violation and not a local violation.

SCARDUZIO advised that as there is no local criminal violation, his office is unable to take any action against LIVEZLY. He pointed out none of the Victims reside in Camden County.

Mr. SCARDUZIO advised that the only action available locally would be for one of the individuals whose names were used on the letters sent by LIVEZLY to come in and sign a complaint against LIVEZLY for Defamation of Character. SCARDUZIO advised that this is a civil tort action and under this type of action, it would not be possible for Camden County authorities to order LIVEZLY to be given a mental examination.

The matter would be handled in civil court to determine the amount of damage to the character of the complainant as the result of the letter or letters, and if LIVEZLY were convicted, he would be given a fine by the court.

On September 26, 1967, [redacted] Radio Corporation of America (RCA), Camden, New Jersey, advised that the company doctor has recommended that LIVEZLY be given an examination by a private psychiatrist paid for by the company to determine his sanity.

[redacted] advised that this has been proposed to the company union and they are in agreement that this be done. The union has suggested to LIVEZLY that he consent to the examination by a private physician paid for by RCA, Camden, New Jersey.

b6
b7c

NK 9-2084

[] advised that he believes that LIVEZLY will consent to this examination. He advised that it has been the company's experience in the past that when such an examination is afforded, the private psychiatrist is careful in his evaluation and he will probably not judge the subject as insane as this is regarded as almost impossible to establish with one visit.

[] advised that the examination may cause a transfer of LIVEZLY to another division of the plant, but he does not believe that it will result in the releasing of LIVEZLY from his employment on medical leave and it most certainly will not accomplish the commitment of LIVEZLY to a mental institution.

[] advised that the final arrangements for such a physical cannot be accomplished by the company immediately, and he does not feel that LIVEZLY will be given the examination for at least a month.

On October 2 and 17, 1967, [] advised that no arrangements have been made as yet for LIVEZLY to be given a physical examination by the company. [] stated that he has not received any further communication in regard to LIVEZLY from the Industrial Security Office, Columbus, Ohio, and that LIVEZLY still has a secret clearance with that company.

On October 25, 1967, [] advised that no further action has been taken by RCA to afford LIVEZLY a physical examination and that no action in regard to LIVEZLY has been taken by the Industrial Security Office, Columbus, Ohio.

[] suggested that the matter be discussed with [] RCA, Camden, New Jersey, in an effort to afford LIVEZLY a physical examination.

On October 25, 1967, [] RCA, Camden, New Jersey, advised that since LIVEZLY has been involved in writing letters, he has instructed that the guard force examine on a daily basis, the suitcase carried by LIVEZLY when he reports to work every day. [] advised that this suitcase contains only a change in clothing.

NK 9-2084

On October 25, 1967 [] advised that he will make immediate arrangements for LIVEZLY to be given a psychiatric examination by RCA, Camden, New Jersey, and he will advise the FBI of the results of the examination given.

RESULTS OF FBI LABORATORY EXAMINATION

In the Extortion Letter Q6 and the Envelope @6, sent to Cardinal JOHN KROL, at Philadelphia, one latent fingerprint of value was developed on Q6. This latent print was not identical to the fingerprints of [] of the Cardinals Office.

b6
b7C

The Laboratory furnished the following information:

Q5 Envelope postmarked "Camden N.J. 1A P. 12 Sep 1967" and addressed to "John Cardinal Krol Sts Peter and Paul Cathedral 18th and Race Sts Philadelphia, Pa"

Q6 one-page typewritten letter beginning "Dear Sir----- Your are nothing but a-----", and ending with [] RCA Camden Plant, N.J."

It was concluded that the typewriting on Q5 and Q6 was prepared with the typewriter used to prepare specimens Q1 through Q4 which were submitted previously by Newark under "J. EDGAR HOOVER-VICTIM; EXTORTION".

The threat consists of ambiguous ramblings with the request for \$550,000.

The Bureau has instructed that this matter must receive vigorous and continuous attention until fully resolved. A summary teletype, from the Office of Origin, must reach the Bureau by Close of Business (COB) 3/11/77, immediately followed by an LHM, from the Office of Origin, suitable for dissemination.

This material was received on 2/18/77, by letter from SAC JAMES MASTROVITO, Intelligence Division, United States Secret Service (USSS) Headquarters to SA [redacted] WFO, wherein MASTROVITO advised the original letter was received at the Lyndon B. Johnson Library in Austin, Texas, and forwarded to USSS on 2/16/77. He advised USSS has made a check of their name and visual files of previously submitted letters with positive results.
